

XFusion[®]
Keratin Hair Fibers

Give Thin Hair A Fat Chance

XFusion is the only professional product that instantly reverses the appearance of hair loss and thinning. From the very first application you'll see thinning hair appear up to 10x fuller, eliminating all scalp show-through. It's made of the same organic keratin protein as your natural hair and enhances it undetectably. Works great for both men and women.

XFusion is sold exclusively in fine salons.
